CLEAN SWEEP GUIDELINES

- ◆ Farms & households may bring any amount of hazardous waste for free disposal.
- ◆ Small Business & Schools must contact Veolia with completed inventory list
- ◆ Materials should be properly identified with their original labels.
- ◆ **DO NOT MIX** materials together. Doing so can be extremely dangerous!
- ◆ Pack materials for your safety. Place materials in a cardboard box lined with a plastic bag. Separate each product with a folded newspaper.
- ◆ If a container is leaking, put it into a secondary leak-proof container.
- ◆ Pack containers in the trunk of your vehicle, away from the driver, passengers and pets.
- ◆ Unknown materials can be brought in, but Richland County and its hazardous waste disposal contractor reserve the right to refuse any material.
- ◆ **NEVER LEAVE HAZARDOUS WASTES AT ANY LOCATION. ABANDONING HAZARDOUS WASTES, EVEN FROM HOUSEHOLDS, IS A STATE & FEDERAL OFFENSE**

CLEAN SWEEP

Clean Sweep is a limited time collection of unwanted, unused or damaged agricultural or household hazardous wastes and pharmaceuticals. This program collects, treats, stores, or disposes of waste in an environmentally safe method through a licensed hazardous waste facility. Hazardous wastes can usually be identified by products labels which contain any of the following words:

Caution, Warning, Danger, Poison,
Toxic, Ignitable or Flammable, Acid,
Corrosive or Reactive.

WHO CAN PARTICIPATE?

⇒ **All residents are eligible to participate.**

⇒ **Farms, schools and businesses need to pre-register.**

⇒ **Household Clean Sweep items must be taken to location given at those times given.**

⇒ **Pharmaceuticals Contact Richland Center Police Department**

**VERY SMALL QUANTITY
GENERATOR (VSQG)
PROGRAM**

A VSQG is a small business or school that generates less than 2,205 lbs., of legally defined hazardous waste.

Small businesses & schools can take advantage of the lower collection and disposal rates negotiated by the state of Wisconsin for household and agricultural hazardous waste collection programs. Agricultural small businesses are also eligible to receive a 50% cost share from state pesticide funds, lowering the cost even more. To participate, call Colin Barrington at 262-875-7014 or email colin.barrington@veolia.com by October 14th.

**PRE-REGISTRATION IS
REQUIRED FOR FARM
& AG COLLECTION**

Register by calling the Richland County Highway Department at 608-647-4707 or email josh.elder@co.richland.wi.us
Voicemail is available and phone calls will be returned

Phone reservations will be accepted.
AG should register before **October 14th**

Be prepared to estimate the amount of material you will be bringing (pounds of dry and gallons of liquid).
